

ENCLOSURES

# A Place For Everything

Reliable Controls® offers five equipment enclosures that provide an economical, professional, and branded solution for control equipment protection.

Purpose-built for the controls industry, the enclosures maximize the number of Reliable Controls® devices that can be accommodated.

Better by design

- CSA Certified
- UL Listed
- NEMA Type 1

### Dimensions

- ENC-76x101:  
76.2 cm W x 101.6 cm H x 15.2 cm D  
(30" W x 40" H x 6" D)
- ENC-51x76:  
50.8 cm W x 76.2 cm H x 15.2 cm D  
(20" W x 30" H x 6" D)
- ENC-40x76:  
40.6 cm W x 76.2 cm H x 15.2 cm D  
(16" W x 30" H x 6" D)
- ENC-30x40:  
30.5 cm W x 40.6 cm H x 15.2 cm D  
(12" W x 16" H x 6" D)
- ENC-30x30:  
30.5 cm W x 30.5 cm H x 15.2 cm D  
(12" W x 12" H x 6" D)

### Weight

- ENC-76x101: 38.6 kg (85 lb.)
- ENC-51x76: 21.8 kg (48 lb.)
- ENC-40x76: 17.7 kg (39 lb.)
- ENC-30x40: 7.3 kg (16 lb.)
- ENC-30x30: 4.5 kg (10 lb.)

## FEATURES

- Enclosure and panel door manufactured with high quality 16 gauge steel
- Painted Jet Black (RAL9005) inside and out over phosphated surface
- Key Lock
- Knock-outs on all four sides for conduit entry
